NEW HAMPSHIRE

FOR THE FISCAL YEAR ENDING DECEMBER 31st

1982

THE FOSTER PRESS
FARMINGTON, N. H.

IN MEMORIAM

Colonel William R. Clough, USAF, Ret.
1908-1983

DEDICATION

This Town Report is respectfully dedicated to the memory of Colonel William R. Clough in recognition of his many years of selfless devotion to the town of Alton.

Before his military career he acted as fire warden and foreman of water projects, health officer, and member of the Budget Committee. During World War 11 he served in the European Theatre. Following his retirement from active duty on July 1, 1963, he returned to Alton where he served as Superintendent of Public Works, member of the Planning Board (8 years), and the Lakes Region Planning Commission.

He also completed a comprehensive study of roads and highways in Alton from the 1700's to present time, as well as a study of the acquisition and sale of Boston and Maine Railroad property. He assisted the Selectmen's office in return of layouts for new roads, the town clerk in research and preservation of records, and the Planning Board after expiration of his own terms.

The legacy left to the town of Alton by Colonel Clough is at least four-fold: Through painstaking research he illuminated much of the history of the town. His skill and technical knowledge became invaluable to every department of town management. Anticipating the future he worked to establish the ideal of what a community might become. In all aspects of public affairs he endeavored, with candor and diligence, to preserve the American way of life.

The people of Alton are proud to honor this distinguished citizen.

ALTON TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Alton, in the County of Belknap in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the eighth day of March next, at nine o'clock in the forenoon to act upon the following articles: (Polls will close at six-thirty in the afternoon.)

ARTICLE 1. a. To choose all necessary Town Officers for the ensuing year and to elect one Selectman for three years, one Trustee of Trust Funds for three years, one Highway Agent for one year, one Auditor for two years, three Budget Committee members for three years, one Library trustee for three years, one Fire Ward for three years, one Water Commissioner for three years, two Planning Board members for three years and one Constable for one year.

b. To vote on proposed amendments to the Zoning Ordinance.

c. To vote on proposed amendment to the Building Code.

And you are hereby further notified to meet at said Alton Memorial School Gymnasium on Wednesday, the ninth day of March, next at seven thirty o'clock in the evening to act upon the following articles:

ARTICLE 2. To see what sum of money the Town will vote to raise and appropriate to pay all necessary charges of the Town for the ensuing year.

ARTICLE 3. To see if the Town will vote to appropriate the sum of \$35,403.21 of Highway Subsidy Funds to be expended on Town Roads in accordance with RSA 241, Section 14—\$21,524.89 and RSA 241, Section 15—\$13,878.32.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$1,666.28 provided the State will contribute the sum of \$11,108.56 for Class V roads so called.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to borrow monies in anticipation of taxes.

ARTICLE 6. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library.

ARTICLE 7. To see if the Town will vote to raise and appropriate for:

- | | |
|--|------------|
| 1. Decoration of Soldiers' Graves | \$ 350.00 |
| 2. Patriotic exercises on Independence Day | \$1,000.00 |
| 3. Old Home Week Celebration | \$3,000.00 |

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate for Parks and Playgrounds, including band concerts.

ARTICLE 9. To see if the Town will vote to raise and appropriate for:

- | | |
|--|------------|
| 1. Alton—Alton Bay Chamber of Commerce | \$2,700.00 |
| 2. Lakes Region Planning Commission | \$2,924.00 |
| 3. Town Stray Animals (Humane Society) | \$ 600.00 |
| 4. Lakes Region Association | \$1,157.63 |

ARTICLE 10. To see if the Town will vote to raise and appropriate for:

- | | |
|--|------------|
| 1. Lakes Region Health Agency | \$1,500.00 |
| 2. Community Action Program. Belknap/Merrimack | \$2,000.00 |
| 3. Public Health Nursing Association | \$4,000.00 |

ARTICLE 11. To see if the Town will vote to appropriate and authorize withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon.

- | | |
|-------------------------------------|-------------------|
| Police Cruiser | \$8,500.00 |
| Town Hall Renovations | \$7,000.00 |
| Radio for Building Inspector | \$ 200.00 |
| Overhaul Mack Truck No. 2 | \$7,000.00 |
| Video System — Police Department | \$2,500.00 |
| Portable Radios — Police Department | <u>\$1,600.00</u> |
| | \$26,800.00 |

ARTICLE 12. To see if the Town will vote to appropriate the sum of \$10,000.00 to be placed in Highway Equipment Reserve Fund for the purchase of Highway Equipment and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

ARTICLE 13. To see if the Town will vote to appropriate the sum of \$10,000.00 to be placed in Fire Truck Reserve for the purchase of a new fire truck and authorize the withdrawal of this amount from

Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for a Capital Reserve Fund for the revaluation of the Town and authorize the withdrawal of this amount from Revenue Sharing Fund established under the provisions of the State and Local Revenue Assistance Act of 1972.

ARTICLE 15. To see if the Town will authorize the position of Town Administrator and authorize the Board of Selectmen to fill this position by July 1, 1983 and further to raise and appropriate Twelve Thousand Five Hundred Dollars (\$12,500.00) for salary, benefits and expenses.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Civil Defense.

ARTICLE 17. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another Governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

ARTICLE 18. To see if the Town will vote to raise and appropriate \$5,000.00 for the purchase of the land adjacent to the Mount Major Community Center and authorize withdrawal of this amount from Revenue Sharing Fund established under provisions of the State and Local Revenue Assistance Act of 1972. (Submitted without recommendation)

ARTICLE 19. To see if the Town will vote to raise and appropriate \$500.00 for the Center of Hope. (By Request)

ARTICLE 20. To see if the Town will vote to accept as a gift from the New Hampshire Electric Cooperative Inc. the land and building located on the Westerly side of Route 140 adjacent to the Marsh and appropriate one dollar (\$1.00) to complete the legal transaction.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of Six Thousand Dollars (\$6,000.00) to pave the roads in the new Cemetery and authorize the Selectmen to withdraw this amount from excess Cemetery Trust Funds received in 1982.

ARTICLE 22. To see if the Town will vote to appropriate and au—

thorize withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budget appropriations in the amount indicated; and, further to authorize the Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereon.

- | | |
|---|------------|
| 1. Snowmobile and Trailer—Police Department | \$3,500.00 |
| 2. Highway Entrance Signs | \$ 500.00 |
| 3. Highway Garage Fuel Meters | \$2,200.00 |

ARTICLE 23. To see if the Town will vote to accept a narrow tract of land comprised of 0.465 acres, more or less, lying northerly and easterly of Pine Street Extension, so-called, and being a portion of the southernmost part of the school district property in Alton, New Hampshire, as said tract of land is reflected in the revised plan showing land of Alton Central School, Alton, New Hampshire, dated June 14, 1974, as per the second revision thereof in November 1982, and to authorize the Selectmen to execute all documents attendant to and necessary for the transfer of said tract of land to the Town of Alton, or to take any other action in relation thereto.

ARTICLE 24. To see if the Town will vote to install a street light at the junction of Drew Hill Road and Route 28, on existing pole #16, supplied by the Municipal Electric Company of Wolfeboro. (By Petition)

ARTICLE 25. To see if the Town will vote to abolish the position of elected Police Constable commencing at the 1984 Annual Town Meeting.

ARTICLE 26. To see if the Town will raise and appropriate Forty-Five Thousand Dollars (\$45,000.00) for the purchase of a new Highway Dump Truck; and to authorize the Selectmen to withdraw from the Capital Reserve Highway Equipment Fund the sum of Thirty Thousand Dollars (\$30,000.00) and authorize the expenditure of Fifteen Thousand Dollars (\$15,000.00) insurance reimbursement funds.

ARTICLE 27. To see if the Town will vote to approve monies to be expended from the Municipal Improvement Fund. Said monies is to employ Town unemployed on Town projects during the period of January 1, 1983 and December 31, 1983.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the purpose of enabling "Alton Housing for the Elderly, Inc.", a non-profit corporation,

to commission professional services to evaluate, recommend and prepare a grant application for monies to construct Housing for the Elderly in Alton. (By Petition)

ARTICLE 29. To see if the Town will vote to discontinue the highway leading from the Old Wolfeboro Road to the Clark place known as the Clark Road. (By Petition)

ARTICLE 30. To see if the Town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Alton and to the health and welfare of the people of Alton.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (By Petition)

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen to find proper and suitable disposition of the remains of the meeting house which is presently stored back of the Town Hall.

ARTICLE 32. To hear reports of Agents, auditors, committees of officers hereinbefore mentioned chosen and to pass any vote relative thereto.

ARTICLE 33. To transact any other business that may legally come before this said meeting.

Given under our hands and seal this fourteenth day of February 1983.

ANNUAL REPORT OF THE ALTON FIRE DEPARTMENT

The Alton Fire Department has had another busy year in 1982. The number of fire calls was down, which is good. At this time we have a full roster of fire fighters. The department trains twice a month plus two all day sessions spring and fall. We were fortunate this year to receive valuable training and assist the Alton Bay Camp-ground also when they needed three cottages removed from Route 11. These were burned down at an all day training in which 43 of our 45 men were present. Your department has an excellent response record, is enthusiastic and hardworking. We can be proud of them all.

This year we were fortunate to find a 1956 Mack ladder truck and matching pumper, both in excellent condition. They were purchased for \$22,000.00 for the pair. The new vehicles were put in service in May and we later sold our previous ladder truck at public auction. We appreciate the support of the community at this past town meeting and cooperation of the Fire Wards, Board of Selectmen and Budget Committee in acquiring these fine pieces of equipment.

Four of our members will be retiring this year and I would like to honor them for their contribution to the department:

Rawland Dore joined the department in 1947 and has served as its secretary since 1952. We want to thank him for his long service and for taking care of this most important part of the department records.

Capt. Edward Gustafson, on the department since 1956 has been a much valued member at our West Alton Station. He has also been the steward at that station since it was built. We appreciate all the years that he has been with us.

Charles Woollett, has been a member of the department since 1952 and has served as the steward of the Alton Bay station for a good many years. We thank him for his faithful service to the department through the years.

Lt. Walter Thumm has aided us at our Central Station in many special projects. He was instrumental in the development of our first ladder company and we credit him for its success. His expertise with the machinery and his concern for the department will be missed. Our sincere appreciation for his contribution.

The Alton Fire Department sponsored the 2nd Annual Old Home Week this past August. It was another success and culminated following a great deal of planning begun in January. As part of Old Home Week, a Clean-up Campaign was initiated by the committee resulting in a proclamation by the Selectmen for a Clean-up Week and the cooperation of all the towns' citizens, groups and civic organizations. It is hoped this will continue as a beautification for all town property and buildings. Plans are now underway for the 3rd Annual Old Home Week. We hope everyone will join in the fun of this whole town celebration.

We want to remind everyone burning wood to be particularly careful to keep your chimneys cleaned. The department has a woodstove inspection program that has worked well for us for several years. For more information about this, please call the Building Inspector at the town hall, 875-2161.

Respectfully submitted,

RUSSELL E. JONES
Chief, Alton Fire Department

ALTON POLICE DEPARTMENT REPORT

If there is one thing that your Police Department would like to stress, more than anything else, it would be for people to call us when they have a complaint or think they have witnessed a crime being committed.

Many crimes go unreported because citizens fail to call the Police. Sometimes it is for fear of reprisal, but most often because, "We did not want to call because we knew that you were probably busy and we didn't want to bother you." Even if you have called before about the same thing, call again. Often no action can be taken by the officer in answer to your complaint until he hears or sees the violation himself or you are willing to sign a complaint and appear in court.

There are times when due to particular circumstances an officer cannot act because the law as it is written does not allow him to. In some instances people feel that the police are not doing their job, not realizing that we are bound by the law.

I know from the past two years that I have been your Chief, that many incidents are observed and not reported until later. Sometimes during a conversation of another matter, or during small talk, someone will tell you that they saw or heard something but didn't want to bother calling. No matter how insignificant you feel the call is, if it's important enough that you think of calling the Police, call, something has made you suspicious.

While small town police have been sometimes stereotyped, vast improvements have been made to update, educate and professionalize the small department. Ninety percent of the 40,000 law enforcement agencies in the United States employ fewer than ten persons. They comprise 39% of the law enforcement agencies in the United States. Your police department is one of those.

Every year officers attend courses to update and educate themselves. Did you know that our officers not only make the arrest, but are responsible to do the complaint, write the report and then follow it through the court by answering the Motion's from the defendant's attorney, preparing the case for court and then trying the case before the court against an attorney with maybe ten or more years of experience.

All of this and more is done because the officers of this department are professional. They are lawyer, medic, psychologist, clergy, friend, father, husband and sons. They are people just like you who have a job to do and do it the best they can. They have chosen a profession which is dedicated to "SERVE AND PROTECT."

The LAW ENFORCEMENT CODE OF ETHICS says in part, "As a LAW ENFORCEMENT OFFICER, my fundamental duty is to serve mankind; to safe-guard lives and property; to protect the innocent against deception; the weak against oppression or intimidation and the peaceful against violence or disorder; and to respect the Constitutional rights of all men to liberty, equality and justice."

The members of this department thank you for your continued support and a special thanks to the Board of Selectmen who have the foresight to help in establishing a professional police department.

I would also like to thank the various departments who aided us throughout the year, their help in time of need is greatly appreciated.

BOARD OF ADJUSTMENT

The Board of Adjustment is set up by state law to hear and decide appeals of the Alton zoning ordinances and building regulations.

The board held thirteen public hearings this past year in fulfilling this responsibility. Hearings are scheduled for the second Thursday of the month. These hearings are posted and open to the public.

The members of the board are appointed by the selectmen and is comprised of five regular members and two alternates.

Respectfully submitted,

JUDITH FRY, Clerk

REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission has had an extremely active 1982. We were sorry to see several hardworking members leave, but have been fortunate in having equally knowledgeable new members come aboard.

The bulk of our activities this past year has resulted from our statutory responsibility of reviewing applications to the Wetlands Board. This involves not only discussion at Conservation Commission meetings, but also on-site inspections, correspondence and meetings with property owners, and occasional trips to Concord for public hearings. And although we are neither watchdogs nor an enforcement body, we do work in conjunction with the Wetlands Board in monitoring violations of the State's water protection statutes.

Our second major effort this year has been to present a professional Wetlands Survey of Alton to the town. This will provide a valuable land use tool to the several boards in town and, we hope, will provide the basis for adoption of a Wetlands Ordinance in the near future.

It is also noteworthy that the Conservation Commission has requested approval of an operating budget for the first time. This should not be viewed as an additional town expense, but a positive reflection of an active body.

Respectfully submitted,

JANE F. SANDERS
Chairman

ALTON CABLE TELEVISION STUDY COMMITTEE

The 1982 Alton Town Meeting, under Article 26, voted to authorize the Board of Selectmen to grant one or more franchises to operate a cable television system in the Town of Alton. The Board of Selectmen appointed a seven member study committee to gather information, contact interested companies, and ultimately make recommendations as to the company or companies best suited to the interests of the Town of Alton.

The Alton Cable Television Study Committee held it's first meeting on April 12, 1982. It was determined that the Committee would proceed in gathering information by studying the cable television industry in general and specifically by contacting a number of neighboring and area communities with an existing franchise or who were working on a franchise agreement. The contacts with these communities proved to be valuable sources of information.

In July, requests for submission of initial proposals were sent to a number of companies based locally in various parts of the country. On September 20, 1982, the final date for submission, three companies had responded; Union Telephone Company, Farmington, N.H.; Abitronics, New Durham, N. H.; and Community TV Corporation, Laconia, N.H. Several meetings were then held with these companies.

On November 6, 1982 a Public Forum was held by the Selectmen and the Study Committee. A brief presentation was given by each of the three companies, followed by a question and answer period. The Committee found the public input very useful. Following the Public Forum a number of issues were studied in more depth.

Requests for submission of final proposals were made on January 12, 1983 to be returned by February 2, 1983. At that time, the Committee will study each proposal submitted and make a recommendation to the Board of Selectmen.

Respectfully submitted,

LINDA MAZALEWSKI
Committee Member

ALTON COMMUNITY CENTER REPORT

January 1, 1982 - December 31, 1982

Cash Received for Rental of Building	\$660.00
West Alton Community Center	<u>145.00</u>
NET TOTAL	\$805.00

ALTON PARKS AND PLAYGROUND COMMISSION

Some improvements have been made on the bandstand in the bay and it was put to use this summer by the Barbershoppers during their annual get together.

A memorial fund has been set up in memory of Robert "Bud" Kelson. The Town has purchased the land behind the Central Fire Station and initial plans call for part of it to be set aside for recreation purposes.

Our thanks to the Lion's Club for their work in planting trees in the bay area and also to the Garden Club for their work during the year.

Respectfully submitted,

John Streeter
Barbara Lapointe
Herbert Persan
Johnathan Downing

ALTON VOLUNTEER AMBULANCE SERVICE

1982

The Alton Volunteer Ambulance Service answered 106 calls in 1982. We have seven licensed members on our squad who have taken their Advanced First Aid Review and CPR courses. With so few squad members we have a difficult time with daytime coverage as our members are working out of town. We are still looking for volunteers. If you would like to join us, please phone Leo MacDonald 875-6389 in the evening for information.

We would like to thank the many people who have sent donations which we have used to purchase supplies and equipment. A special thank you goes to the Lions Club who donated radio equipment for our ambulance.

Respectfully submitted,

Leo MacDonald, President

LAKES REGION PLANNING COMMISSION

ANNUAL REPORT

The Lakes Region Planning Commission continued working with the Planning Board on updating its Master Plan. Draft Population and Land Use Chapters were submitted to the Board for review. These chapters included current demographic and land use information and analyzed changes experienced in Alton over the past decade.

The Commission also assisted the Board in preparing several important changes to the town's Zoning Ordinance. In addition, the Commission worked with the town on the following tasks:

- (1) Made site inspection of Cedar Mountain
- (2) Conducted assessment of woodlot subdivision
- (3) Recommended wetland consultants
- (4) Assisted Conservation Commission in review of wetlands mapping proposal
- (5) Met with Selectmen on Solid Waste District
- (6) Updated property tax base
- (7) Began historic structures survey
- (8) Initiated sewer service study, funded by Water Supply and Pollution Control Commission, for Alton Village and Alton Bay
- (9) Provided information on elderly non-profit housing

Alton's Planning Commissioners are Juliet Peverley and myself, with Tom Fry as an alternate. I am a member of the Commission's Legislative Committee, which has made proposals to regulate nuisance boating. Juliet has coordinated the master planning effort.

The Commission has maintained an active regional planning program. Most important was its work on solid waste districts. The LRPC worked closely with the Legislature to replace a mandatory districting process with one that allows towns to maintain control over its current facilities. The Commission also worked on a Tourism Plan with the intent to help upgrade the region as an attractive and prosperous tourism area.

Respectfully submitted,

CARL DANIELS
Commissioner

REPORT OF THE SALARY & WAGE REVIEW BOARD---1982

The second year of operation of this board saw it still settling many of its procedures under its directives, and performing the wage review it was designed to do. The board met periodically during the summer and fall, and gave its recommendations on 1983 wages of town employees to the selectmen.

The basic studies, forms and approach for reviewing wages has now been fairly well established and it is hoped that next year the new work of the committee can be spent on studies of employee benefits.

R. F. HEADLEY, Chairman
K. GILBERT, Selectman
D. DOBBINS
G. STEVENS
E. SWIM

ALTON PLANNING BOARD

The seven member Planning Board is elected and is currently made up of five women, one man and the Selectman Representative. The Board meets most Monday nights at 7:30 P.M. at the Alton Town Hall. Most meetings are open to the public.

This year the Board considered 18 subdivision proposals with approval of 95 lots involving 238 acres. Fees received amounted to \$2,451.66 that was returned to the general fund to help defray expenses.

The new Master Plan is progressing satisfactorily and we hope to complete it this coming year. The Land Use Map is finished and various other maps and charts will be finished soon. Accurate and complete vital statistics are now being kept on an ongoing basis.

A number of amendments to our existing Zoning Ordinance, including provisions for "Housing for the Elderly" have been proposed for the Town Meeting Ballot.

Respectfully submitted,

EUGENE B. GRAY, Chairman

BOARD OF SELECTMEN

Alton is on the move! Surprisingly, in these depressed times, Alton continues to show a good gain in new home building starts and this helps our tax rate.

We have resolved a number of long pending items, particularly those concerned with our roads in determining easements, ownership, layout and related problems. This Board is adhering strictly to our regulations relative to the acceptance of private roads and are making real progress in upgrading and maintaining present ones. However, as a Board, we are equally convinced that material economics can be realized thru a better utilization of the Highway Department and a closer scrutiny of their fuel consumption, purchases, repair of equipment costs and overall management

While a town is not a profit making organization, the same principles of management can apply and this administration, with the capable help of Mrs. Wood, Mrs. Keay and Mrs. McKenna, is dedicated to further improving the efficiency of our office by utilizing good management techniques and more efficient office procedures. Our regular Board meetings are every Monday night but we also meet most Wednesdays, Thursdays and occasionally Saturday mornings.

Our legal costs have been very high and we expect that to continue and even increase in this day of special interest groups, liberal courts and the general attitude toward law enforcement. The legal costs of negotiating with the Highway Departments Union have been particularly high and that issue is presently at impasse. (Or "is still unresolved"—depending on what happens by Town Meeting.)

As a Board, we believe firmly in establishing active committees to make recommendations to us and we wish to sincerely thank the many citizens who have donated their time, expertise and efforts in providing guidance to the Selectmen.

We particularly wish to note the efforts of the Cable T.V. Committee, Parks and Playgrounds, Wages and Salary Board and Conservation Committee. This year we plan to be working more closely with our newly established Sidewalk Committee. We also wish to give special thanks to those committees or boards established by law, such as the Budget Committee, Planning Board and Board of Adjustment. All of these people contribute greatly without compensation. We simply could not be effective without them and earnestly ask that each citizen examine his or her conscience and then volunteer to pitch in to help make Alton an even better community.

ROBERT A. REINHOLZ
GEORGE L. SHAW
KENNETH B. GILBERT

**VISITING NURSE ASSOCIATION
of Wolfeboro and Vicinity, Inc.
Annual Report**

A total of 7414 home visits were made by the staff of the Visiting Nurse Association to 520 residents of our service area. The overall increase in visits is due to many factors, including earlier hospital discharge, greater awareness of our services by the general public and increasing co-operative efforts and referrals between home health care providers. Federal regulations to attempt to contain hospital costs are now in effect and will result in even greater utilization of Home Health Services.

Home Health Care has always been the primary function of this Agency, but Community Services and Clinics are consuming an increasing amount of Staff time. Adult Health Screening Clinics, in co-operation with local Lions' Clubs; Blood Pressure Screenings; and our Well Child Clinic Program have provided health services to an additional 1067 individuals in the past year.

In December we were able to offer dental cleaning and flouride application to children enrolled in our Well Child Clinic Program for the first time. These children will be scheduled to receive this treatment every six months.

Through contracts and co-operative agreements we have provided services to residents of The Ledges, and to the WIC Program of Southern Carroll County, the Wolfeboro Area Children's Center, the Wolfeboro Senior Citizen's Group, Hospice of Southern Carroll County, school children of Alton, Wakefield, and the Governor Wentworth Regional School District, Carroll County Mental Health, Carroll County Health and Home Care Services, and Lakes Region Community Health Care. These co-operative services are cost effective for all programs and result in increased services for a greater number of residents.

We are grateful to the many local civic organizations who have donated equipment, services, and financial support to our Agency Programs; to organizations which have made space available for Clinic Programs, to the School Nurses and the many volunteers who have assisted us in providing services, and to you the taxpayers for your continued support of our appropriation requests.

Respectfully submitted,

DAVENA R. DE WOLF, R.N.
Nurse Administrator

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/towns and our entire citizenry can this record be maintained.

1982 STATISTICS

	STATE	DISTRICT	CITY/TOWN
No. of Fires	391	34	3
No. of Acres	161 3/4	17½	2½

Forest Ranger

ALTON MUNICIPAL COURT-1982

Total number of cases heard by Laconia District Court Judge at the Alton Court were as follows:

847 cases at \$8.00 per case	\$6,776.00
------------------------------	------------

This included cases from all other departments as well as the Alton Police.

LOU ATHANAS
Clerk of Court

STUDY COMMITTEE ON HOUSING FOR THE ELDERLY

The Committee was charged by the Selectmen with establishing whether there is a need for and interest in housing for the elderly in Alton.

All citizens over the age of 60 whose names were known to Town authorities were noticed by mail. Of 168 questionnaires returned, 147 were in favor of such housing while only 12 were definitely against and 8 expressed no opinion. 109 said that they would not themselves be candidates at the present time. 57 expressed a desire to make use of such housing if it were to be completed within two years and an additional 56 wished to be kept on the mailing list. It is known that 20 former Alton citizens are residing in housing for the elderly in other towns.

Committee members were in contact with both the N. H. Housing Finance Agency and H.U.D. to explore avenues for financing such a project and as a result of information received from these and other sources, the recommendation was made to the Board of Selectmen to form a private non-profit corporation to apply for funds under the Federal guidelines. At their request this has been done and "Alton Housing for the Elderly, Inc.", is now a legal entity formed in strict compliance with Federal requirements.

Tax deductible private contributions are being sought to provide for necessary operating expenses and to pay for professional assistance in putting together a grant application so that no time will be lost in seeking the very limited funds now available for this type of project. The Planning Board has cooperated by presenting a proposed zoning change that would be necessary in order to comply with government regulations.

Realistically it will be quite a few months before we will know whether funds are to be granted even for this year, but your corporation intends to press ahead as quickly as possible in its efforts to meet this housing need in the Town.

GILMAN LIBRARY REPORT

The Gilman Library has had a very busy year of growth. Marjorie Mohr, our Head Librarian, has made many contributions during 1982 which include completing the cataloging of the Library's collection, developing an outstanding Summer Reading Club, coaching a Drama Club whose efforts culminated in the presentation of a play during Old Home Week, and organizing and setting up the new Agnes Thompson Room in the lower level of the Library. In the early fall, Marjorie accepted the position of Librarian with the Alton School and thus continues to serve the community of Alton.

Marjorie was assisted by Mary Batchelder in all phases of the Library's operation. Mary completed five years of much appreciated service to the Gilman Library and she, too, has accepted a full-time position in the Alton School. We wish Marjorie and Mary continued success as they pursue these new opportunities.

Following a month long search and interviews, the trustees selected Patricia and Sydney Merrill as Head Librarians and Susan Lord as Assistant Librarian. The Merrills reside in Alton and have already increased the services of the Gilman Library. Many residents have visited the Library and have been surprised by the growth in the Library's collection as well as new programs.

A video cassette recorder was donated to the Gilman Library by Albert Burbank. In addition, a T.V. was loaned by Chris Merrill, which now allows the Library to offer movies. In addition, a copying machine is available that will produce excellent quality copies at a reasonable price. The trustees hope these new services will be supported by the residents of Alton.

A new book cart for children's books was purchased. The cart, made by David Kellar, is very popular with the young children. A further service for children is the provision of a story hour on Wednesday afternoon.

During 1982, the circulation totaled 12,119 books. 340 books were added to the collection which now totals 10,555 volumes. Several books as well as magazine subscriptions have been donated.

Several groups in town have held meetings in the Agnes Thompson Meeting Room during the past year. The room is very popular with all.

The Friends of the Gilman Library had a very active year. They sponsored a Puppet Show for children during Old Home Week. The officers and members with Polly Bakeman as President, Madeline Griffin as Treasurer and Orrissa Rines as Secretary held four informative meetings during the year. The Friends were involved in pro-

ducing and selling a 1983 Town Calendar. The project was a great success. The Friends would like to thank all who participated in the project.

HAROLD GILMAN MUSEUM --- 1982

The museum was open Memorial Day in conjunction with the Town ceremonies and a total of 71 individuals viewed our new displays.

It opened officially for the summer on July 3rd, closed September 15th. Total number of visitors for the season was 347; during Old Home Week 124 as compared to 183 in 1981.

Repairs were made to the front columns, foundation and a broken window was replaced.

The Committee wishes to express its appreciation to Mr. and Mrs. Steve Rollins and Mr. and Mrs. Lewis Hayes for the special articles and postcard album relating to "old" Alton and Alton Bay, loaned for display during Old Home Week. Also, thank you to our numerous hostesses and to Fred Costello for revitalizing our displays.

We have reduced our bond to \$11,666. For its current operating expenses the Committee has on hand \$1,600 in its Savings Account, \$300 in its Checking Account and \$2,000 invested in a Repurchase Agreement with the Farmington Bank.

BUILDING INSPECTOR - HEALTH OFFICER REPORTS

PERMITS ISSUED 1982

Building Permits	
New Dwellings	
Seasonal	14
Year-round	15
Additions & Major Renovations	31
Garages, Sheds, Barns, Minor	
Renovations, Repairs, etc.	<u>243</u>
Total Building Permits Issued	303
Sanitary Permits	
New, State Approved Systems	40
Repairs to Existing Systems	<u>30</u>
Total Sanitary Permits	70
Well Permits Issued	39

There was a notable increase in the number of Building Permits issued in 1982. A total of 62 more permits than in 1981.

Sanitary and well permit totals were very close to 1981 figures.

LANDFILL

The Landfill was open a total of 209 days between April and December of 1982. During this time, 18,477 vehicles visited the site. This averages out to about 88 vehicles per day using the Landfill.

Volume measurements taken in October of 1982 show that the Landfill is filling at only 59% of the estimated rate. At this filling rate and with the increased compaction of the new loader, we are expecting several additional years of use at this site.

JAMES R. PRESHER

Building Inspector - Health Officer

STATE REPRESENTATIVE'S REPORT

Jane F. Sanders, State Representative
Alton, Gilmanton, Belknap County, District #6

The Lakes Region continues to grow, a trend reflected in the final legislative reapportionment. Alton is now part of a two-town district with Gilmanton (and with Barnstead on its own) Belknap County was allocated 19 members in the House, up one from the last reapportionment, while several counties lost representatives due to population decreases.

While the 1983 legislative session brings a realignment of districts it will also bring a reassessment of many traditional issues. Financially, the state must deal with a continuing deficit and growing demands for services. The challenge is to find a solution to the shortfall of money without further cuts in already depleted state services. Some say the solution is new taxes. The reality is however not if there will be new taxes, but what form the additional taxes will take. Others say government reorganization is the answer. The issue is not if there will be reorganization but which agency has the most political clout to avoid reorganization or elimination.

In sum, the hot seat in Concord will probably remain so throughout the legislative session. When it is over, it will be seen as a session of extremely difficult votes. It is especially at a time such as this that the public can make the difference in a hotly contested issue. It is a time when I rely on the general public to contact me frequently regarding their views. The votes of this session will guide the state for the next several decades.

I hope you will participate in that process. Please feel free to contact me either by mail; P.O. Box 97, Alton Bay, N.H. 03810, or by telephone: 875-5140.

Respectfully submitted,

JANE F. SANDERS

STATE REPRESENTATIVE'S REPORT

MATTHEW LOCKE, STATE REPRESENTATIVE
Alton-Barnstead-Gilmanton, Belknap County, District 4

So far in my first term in office I have found one thing, "people like to spend other people's money!"

We must take a sobering look at the supertaxing, superspending that is going on in Concord. All kinds of new taxes are being pro-

posed, from a land tax to a shore tax and so on. Instead of removing taxes so that people can breathe and businesses can expand, I suspect that we will be smothered with an assortment of new taxes, unless an irate public demands that thier representatives put a brake on the taxing process and get a hold on the uncontrolled spending that is going on.

When we talk of the democratic process we are talking nonsense where government spending is involved. If government was a business it would have gone bankrupt years ago!

I have sponsored much legislation in the area of capitol punishment, toughing the pornography laws, toughening up the DWI laws and also some bills in the area of law enforcement.

I have 100% attendance on the Belknap County delegation, also 100% in the House of Representatives in Concord and on my committee assignments.

Feel free to contact me if you have any questions. 776-3051.

Respectfully submitted,

MATTHEW LOCKE

MT MAJOR COMMUNITY CENTER

COMMITTEE REPORT

This building next to the West Alton fire station during 1982 has new rest rooms, a chambered leach field, water facilities, new sink and counter tops in the kitchen and electrical service.

The committee plans to repaint the entire interior and make some minor carpentry improvements to the ante-rooms.

The community center is now being used for public and private meetings. Arrangements for its use are made through the Selectmen's Office.

On December 12, 1982 a Christmas Tea and open house was held, hosted by Shirley Gurney, Shirley Reck and Mary Roaf. Some 50 persons visited.

ROBERT D. SEDERQUIST, Chairman
SHIRLEY GURNEY-SHIRLEY RECK
MARY ROAF-CHARLES H. CLEM

ALTON - ALTON BAY CHAMBER OF COMMERCE

Over 2,000 people registered as visitors at the Alton-Alton Bay Chamber of Commerce Information Booth during the summer of 1982.

Marilynn Dame assumed the duties of the Booth Attendant this year, with Karen Watts as her assistant. They provided Vacationers, as well as Townspeople, with State Maps, Brochures on Tourist Attractions, and information on rentals and places to eat in the area. The Information Booth, located in the Alton Bay Community House, is open from 10 to 5 daily during the summer months. Marilyn stated that she learned a lot during her first year as Booth Attendant, and she has many ideas in which to provide better service in the upcoming season.

The Alton-Alton Bay Chamber of Commerce elected a new slate of officers at their Annual Fall Business Meeting. Elected for a two year term were: President - Steve Neubeck of Gould & Neubeck, Attorney-At-Law, Vice President - Bob Dugas of Alton Village Store, Treasurer - Fred Browning of Wayside Grocery, and Secretary - Kris Oickle of Farmington National & Savings Bank.

The newly elected officers hope to provide the members of the Alton-Alton Bay Chamber of Commerce, as well as Vacationers visiting the Information Booth during the summer, with even better service and hospitality during the upcoming year.

Respectfully submitted,

A. KRISTINA OICKLE
Secretary

ANNUAL REPORT OF THE ALTON WATER DEPARTMENT 1982

The Alton Water Department completed the new water line from the reservoir to Pearson Rd. with few problems. The new line, with its larger pipe also increased the capacity of water to the town making the hydrant system much more effective and giving a better distribution of water throughout the town.

The commissioners found it necessary to increase the water rates this year due to the higher cost of electricity. Further increases may be put into effect if the cost of electricity continues to rise in order to successfully operate the department. The rates, however, had not been raised since 1955.

The commissioners would like to thank Mr. A. William Heidke for his sixteen years of service and dedication to the department. He was instrumental in making the department as smooth running as it has now become. Although the new pipe line was completed after his term of office was over, his support and assistance greatly aided its completion.

A new fire hydrant was added off the new line on Bay Hill Rd. A number of repairs have been made this year. Many of our lines that had been annual problems due to freezing will now be taken care of. We feel that our equipment is in reasonable repair.

Respectfully submitted,

RUSSELL E. JONES
JOHN STREETER
CHARLES E. WARD
Commissioners
Alton Water Dept.

AUDITORS REPORT

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the Tax Collector, Town Clerk, Treasurer, Trustee of Trust Funds, Gilman Library, Water Department and Town Officers Surety Bonds for the Town of Alton, New Hampshire for the year ending December 31, 1982 and find them to be correct in all respects.

February 7, 1983
